	NS	0	0	0

	TOTAL	8	8	16
Judges will be judging virtually for these technical trials. Panels and schedule to be distributed by the Judging Chair of Canada. The videos will be arranged by GymCan staff and the judges will view the routines simultaneously and in sequence.				
Please review carefully the TG virtual Events Guidelines for more information. Any questions can be directed to Sébastien Rajotte at sebasrajotte@gmail.com . These are the number of judges each province must provide for each discipline.				
All judges need to be N1 (senior) ranked judges and must be available to judge all sessions. One event will be judged at a time; therefore a judge can be placed on both TUM and DMT panels.				
If a province is required to send more than one judge on an apparatus, please ensure one of them is FIG.				
Provinces who are not required to send any judges but who will have athletes participating in the Technical Trial are encouraged to provide one (1) judge. This will ensure that the information that is being discussed at judges' meetings and on panels can be brought back to the provinces to aid the development of the athletes and judges in their own provinces. Any questions can be directed to Sébastien Rajotte at sebasrajotte@gmail.com .				
Please complete and return the Judges' Registration Form to Sébastien Rajotte at sebasrajotte@gmail.com by Feb 5th, 2022 .				
All judges are required to be present at their respective Technical Meetings (Virtual), as well as Virtual Training Sessions.
