

WELCOME TO THE 2022 COMPETITIVE SEASON.

First, may I express my sincere thanks to GBC, Sandra Comeault and Kerrie Turner for all the hard work in organizing the Team BC uniform packages for this season.

I am so pleased to provide you all with the details for the 2022 Team BC Uniform package and how to order. Please circulate to all your coaches, athletes, parents and prospective event support staff.

2022 UNIFORM PACKAGE

It is an extraordinary year for our Team BC gear. Pieces that would have been replaced in 2020 and 2021 had to be delayed due to the cancellation of all events. Athletes and coaches must now order **ALL** mandatory items. Items purchased this year will be available for at least the next 2-3 years.

Competition singlets for MAG and TG men are from TURN. Other MAG and TG competition attire is from GK. For WAG and TG women, competition and training bodysuits are from GymGear.

It is our hope that by ordering from these well-known and familiar companies that sizing will be much easier. If athletes already have pieces from these companies and already know their sizes before they come to the sizing table, it will make the process much quicker and easier.

SIZING – IN PERSON (*Christy Fraser Memorial Invitational / TG BC Championships*)

All sizing and ordering will be the responsibility of each club. **It is the responsibility of ALL ATHLETES, COACHES and potential event support staff members to ensure they are properly sized at the designed sizing dates and times.** During in-person sessions, **priority will be given to those athletes and coaches from outside the lower mainland and will ONLY be available on the dates and locations shown below.**

One person from each club **MUST** be identified as the person responsible **for collecting all the order forms and completing the team order.** The volunteers are NOT responsible for lost or missing forms.

SIZING - LOWER MAINLAND

Sizing totes have been specifically assembled for each discipline and will be available to all lower mainland clubs by scheduling a date that is convenient for your club.

One person from each club **MUST** be identified as the person responsible for collecting all order forms and completing the team order and be responsible for the safe return of the sizing tote. **TOTES, AND ALL ITS CONTENTS, MUCH BE RETURNED IN THE SAME STATE AS WHICH THEY WERE RECEIVED.** Missing or damaged items will be charged back to the club. **ALL SIZING MUST BE COMPLETED BY MARCH 30TH**

ORDER FORMS

Paper order forms will be provided at all sizing sessions. It is the responsibility of each athlete, coach and potential event support staff members to ensure they are properly sized and their order form is properly completed. **It is also their responsibility to ensure that the completed form is returned to the designated club representative.**

Clubs **MUST** designate one person to be responsible for collecting all the order forms and completing and submitting the on-line club order on behalf of **ALL** their clubs' athletes, coaches and/or support staff. One club order must be submitted by the designated deadline.

ON-LINE CLUB ORDER FORM

Clubs **MUST** designate one person to be responsible for collecting all the order forms and completing and submitting the on-line club order on behalf of **ALL** their clubs' athletes, coaches and potential event support staff. One club order must be submitted by the designated deadline.

An email has been sent which includes designated links for each club. Please click on your club's name to be taken to your individual order form. If your club is missing from the list - please contact Kerrie to have a form sent to you. (kerrieandscott@shaw.ca)

Each form has 4 tabs at the bottom – WAG, MAG, TG and Coach/Manager. Please ensure that you have selected the correct tab for each group. Clubs with athletes in MORE than ONE discipline **MUST** complete a SEPARATE FORM FOR EACH DISCIPLINE.

Using the paper copy of the order form, simply enter the athlete or coach's names on the line and use the drop-down menu for each item to select sizing.

Mandatory items have been bolded in **RED** and the optional items have been bolded in **GREEN**.

INVOICING

Uniform packages will be distributed immediately following the confirmation of all team members. Athletes and/or coaches NOT named to Team BC will NOT receive any Team BC items and will not be billed for any items ordered.
