# WESTERNS 2024

The Western Canadian Artistic Gymnastics Championships is a prestigious event held annually in one of the western provinces or territories. It was last held in British Columbia in 2016. This year, we have over 265 athletes competing for the title of Western Canadian Champion in their respective levels and age categories. With its rich tradition of excellence and dedication to athletic achievement, these Championships are sure to captivate audiences and inspire a new generation of gymnasts to reach for the stars.

We are proud to host our competitions at the Langley Events Centre, home of several professional sports teams including the Vancouver Giants, Vancouver Bandits, and Vancouver FC. The Langley Events Centre is located within the Township of Langley, which is situated on the traditional lands of the Coast Salish peoples, and in particular, we acknowledge our relationships with the q̓w̓a:ń̓łə̓n̓ (Kwantlen), q̓ic̓əy̓ (Katzie), Máthxwi (Matsqui) and Se'mya'me (Semiahmoo) First Nations.

## A NOTE ABOUT THIS YEAR'S AWARDS...

This year's medals were designed by the LGF team, who wanted to represent British Columbia by incorporating the trees and mountains that we are renowned for.

Our eco-friendly team trophies are hand made by local artisan, Andy Jarvis, of The Nesting Owl. They are made from reclaimed BC Douglas Fir wood.

# LGF HISTORY

Langley Gymnastics Foundation (LGF) was created in 1991 by an ambitious group of parent volunteers. The purpose of this organization was aimed towards providing quality gymnastics instruction for all recreational and competitive athletes in our community.

On August 5<sup>th</sup>, 1992, tragedy struck the gymnastics community when athlete Christy Fraser unexpectedly passed away at the age of 12. Upon her passing, a Memorial Fund was created in Christy's name. The fund was used to purchase much needed equipment for Children's Hospital and also helped to purchase equipment for LGF.

To this day Lory Fraser, Christy's mom and founding member of LGF, continues to support the club as the CFMI Board Representative and a volunteer for the Christy Fraser Memorial Invitational. She watches every session at the competition to find athletes who demonstrate a positive, determined and supportive attitude, just like Christy.

In 2009 Langley Gymnastics Foundation was made a partner at the Langley Events Center. This investment moved LGF from a 6,000 square foot facility to a 20,000 square foot space, making it the largest facility in BC. This also put LGF in an ideal location to serve families in Langley and surrounding cities.

Langley Gymnastics Foundation is proud to offer a variety of artistic gymnastics programming— from recreational to high performance competitive men's and women's gymnastics. We support the community by offering a unique Tumble Kids preschool program, a foundations programs for children with special needs, adult gymnastics, Seniors Can Move for our aging population, and popular camps and drop-in programs.

Last year, we successfully started our LGF Community Outreach Fund, which provided free gymnastics programming to youth in the community that have limited opportunities to participate in extra-curricular activities. We are proud to continue this fund through proceeds from our events such as CFMI.

We are very proud of our accomplishments as we continue to live by our motto:

*"What I Believe, I Can Achieve!"*
