# Remembering Christy

Christina Ann “Christy” Fraser was an avid gymnast until her tragic death in August 1992 at the young age of 12, after complications from contracting E. Coli. Christy is remembered by all who knew her as a dedicated gymnast who possessed the ability to overcome adversity with a cheerful smile and a “try again” attitude.

Christy’s mom, Lory Fraser, along with Christy’s coach and many others, started the Christy Fraser Memorial Fund to purchase much needed equipment for Langley Gymnastics Foundation.

Christy’s memory lives on with the Christy Fraser Memorial Invitational (CFMI), which began in January 1993 in the Langley Secondary School gymnasium, featuring around 170 athletes. CFMI has grown tremendously over the years, now attracting over 1000 competitors of all ages and skill levels from

around the country. The Langley Gymnastics Foundation is proud to host this annual gymnastics competition and carry on Christy’s memory year after year.

Langley Gymnastics Foundation would like to thank Christy’s mother, Lory Fraser, for her ongoing dedication and unwavering support to both the club and the CFMI. Lory Fraser was one of the founding members of LGF and is still actively involved as a volunteer and Board Member. Without her contributions, this event would not be the success it is today.

## Christy Fraser Award

Christy was passionate about gymnastics and loved to compete more than anything else in her life; it is impossible to say how far she would have gone as a gymnast, but she practiced “for the love of the sport.” Always cheerful and friendly, Christy was kind to those around her, including her fellow gymnasts. She was brave and never stopped trying. If she fell during a routine, she would smile, get back up and keep going.

Lory Fraser, Christy’s mother, watches every CFMI and chooses athletes who embody Christy’s spirit and sportsmanship. Lory looks for those who she feels have shown the same **positive, determined, and supportive** attitude that Christy had. **Truly special individuals, just like Christy.**

# LGF History

Langley Gymnastics Foundation (LGF) was created in 1991 by an ambitious group of parent volunteers. The purpose of this organization was aimed towards providing quality gymnastics instruction for all recreational and competitive athletes in our community.

On August 5<sup>th</sup>, 1992, tragedy struck the gymnastics community when athlete Christy Fraser unexpectedly passed away at the age of 12. Upon her passing, a Memorial Fund was created in Christy's name. The fund was used to purchase much needed equipment for Children's Hospital and also helped to purchase equipment for LGF.

To this day Lory Fraser, Christy's mom and founding member of LGF, continues to support the club as the CFMI Board Representative and a volunteer for the Christy Fraser Memorial Invitational. She watches every session at the competition to find athletes who demonstrate a positive, determined and supportive attitude, just like Christy.

In 2009 Langley Gymnastics Foundation was made a partner at the Langley Events Center. This investment moved LGF from a 6,000 square foot facility to a 20,000 square foot space, making it the largest facility in BC. This also put LGF in an ideal location to serve families in Langley and surrounding cities.

Langley Gymnastics Foundation is proud to offer a variety of artistic gymnastics programming— from recreational to high performance competitive men's and women's gymnastics. We support the community by offering a unique Tumble Kids preschool program, a foundations programs for children with special needs, adult gymnastics, Seniors Can Move for our aging population, and popular camps and drop-in programs.

Last year, we successfully started our LGF Community Outreach Fund, which provided free gymnastics programming to youth in the community that have limited opportunities to participate in extra-curricular activities. We are proud to continue this fund through proceeds from our events such as CFMI.

We are very proud of our accomplishments as we continue to live by our motto:

*"What I Believe, I Can Achieve!"*
