

## 2021 CANADIAN CHAMPIONSHIPS SELECTION MEET

The Men's Technical Committee feels it is important for BC to field a National Open team to the 2021 Canadian Championships (CC2021). Given the timing of the 2021 Canadian Championships, a selection meet will be held virtually from 8 Oct until 15 Oct to decide this team. Judging will then take place 16 – 17 Oct. In addition, any athletes already qualified may send videos in to be judged as a mock meet or to try and attain funding scores.

**There will be no registration fee for this meet.**

Any video received or recorded outside of this range (e.g. 7 Oct or 16 Oct) will not be judged or used for selection. Videos may be submitted through either YouTube, Dropbox, OneDrive, Google Drive, etc. and e-mailed to Thorstein Fischer ([tfischer@gymbc.org](mailto:tfischer@gymbc.org)).

- All camera placements must be static, no panning will be necessary (the camera should not move during a routine, unless there are physical obstructions) – utilize a tripod (strongly recommended).

- The gymnast's entire body must be visible at all times.
- Videos may not be edited or cut.
- When submitting videos, clubs are responsible for ensuring that permission has been granted for those visible to have their image used and published. All participants in the video must have signed the Media Release Waiver.
