

# 2023 BC GYMNAESTRADA SPONSORSHIP

In collaboration, White Rock Gymnastics and Gymnastics BC are thrilled to be hosting the 2023 BC Gymnaestrada Event! This year, Gymnaestrada will take place May 27-28, 2023 at Trinity Western University in Langley, BC.

IN COLLABORATION WITH

The goals of Gymnaestrada are to promote and encourage the growth of Gymnastics for All, inspire and encourage joy in exercise, and to demonstrate the development of the participants. The 2023 theme is "It's A Small World – Celebrating Diversity in Sport." Planning for the event is well underway, and we are seeking sponsorship for our event. Your contribution to our event helps offset the cost of facility and equipment rentals, workshop presenters, participant gifts, and more.

This event will include upwards of 500 participants and coaches, and hundreds of spectators. Gymnaestrada is known for providing the opportunity to celebrate movement and physical activity in a non-competitive, inclusive environment and we encourage participation from individuals of all abilities and ages.

We are pleased to be offering two different types of sponsorship:

## Corporate Sponsorship

If your business would like to get involved, please see the corporate sponsorship opportunities and benefits outlined below.

## Friends of Gymnaestrada

If you are not a business owner but would still like to contribute to our event, we will gladly accept any financial contributions or gifts-in-kind. (ex. printing for banners/signage or contributions to our hospitality room). Please contact [events@gymbc.org](mailto:events@gymbc.org) if you would like to make a "Friends of Gymnaestrada" donation.

We appreciate the opportunity to work with others as we plan for and promote our event, and continue to connect with individuals in British Columbia, through recreational sport. Thank you for your consideration!

# CORPORATE SPONSORSHIP
